

Pickleball Comes to Woodcreek

What the heck is Pickleball?

It's one of the fastest growing sports in North America. It combines tennis, badminton and ping pong skills. It can be played indoors or outdoors and is played with a paddle and a hard plastic ball similar to a wiffle ball. All ages can play.

WCA Offers Pickleball Clinics:

Introduction clinics will be run on May 18th and May 25th, 10 a.m. – 11:30 a.m. Registration is required. WCA membership is required for registration. Contact office at 403-238-1611 for details and to register.

WCA Offers Beginner Pickleball Lessons:

Are you new to pickleball and want to practice and refresh the basic rules? We are offering a package of 3 – 1 hour sessions for WCA members to practice their new skills. Enrollment is limited so contact your WCA office. Get that membership up to date and register for beginner pickleball lessons today!

Basic lessons: June 15/22 and 29th in the mornings.
