

Woodcreek CA President's Report for June 2018

On Saturday May 12th we held our spring Community Clean Up and, as usual, the weather was great, and the event was a hit. Our community residents managed to fill a C-Can of electronic recycling, another one of scrap metal objects, collected multiple stacks of old tires, a trailer full of paint cans, and filled numerous City compactor garbage trucks. From start to finished there was a continuous stream of vehicles into the WCA parking lot. The volunteers were numerous, and we would like to thank everyone for donating part of their day to their community and making this event a huge success. The next Clean Up will take place in September.

This past May the Get Going program kicked-off and continues until the end of June. The program is a free outdoor drop-in after school recreation program for kids 7 – 14 and operates out of the hut beside the tennis courts and skate park in Woodbine. Kids from the ages of 7 to 14 can participate in a variety of sports and activities such as basketball, tennis, pickle ball, badminton, volleyball, slacklining, ladder golf and more. Leaders are on site at all times to help run and facilitate games and sports. There are guest instructors each Monday to teach various sports. There is no cost for the program, but a WCA membership is required to register. Please note, this is not a day camp or a babysitting service, as kids can come and go anytime. Please check www.facebook.com/getgoingyyc for schedules and additional information.

June is coming quickly and so is the annual Family Fun day, which will be held on June 23rd from 1:30 – 3:30 p.m. As in past years, there will be entertainment, games, food, and a whole lot of fun. Please mark your calendars and stop by the community association. Better yet, contact the office and offer to volunteer as it's a fun event and a great way to get involved. Hot on the heels of Family Fun Day is the Stampede and we'll be hosting our annual Pancake Breakfast on July 7th from 9:00 – 11:00 a.m. As with all events, many hands make light work so consider contacting the office and lending a hand. We'll be happy to hear from you!

Sincerely,

Scott A. Eden
WCA President
