

Woodcreek CA President's Message for Sept 2017 Chronicle

Howdy All,

By the time this article is published, summer will be over and your community association will be starting a new year. The Get Going Program will have wrapped up and it looks to have been successful. Over the new little while we will be reviewing the program and feedback to determine whether it's both feasible and worthwhile to host again next year. Pickleball and tennis were successful as well – a big thank you to all who worked to make those activities possible!

Being the start of the fiscal and planning year, a few events are planned for September. For starters, we are hosting our Fall Community Clean Up on September 9th from 9 a.m. to 2 p.m. In addition to the garbage and recycling bins, we will also have paper shredding available. As usual, if you have a community membership it is free. Without a membership, the cost is \$10.

On September 12th and 13th the community association will be working a casino and, as usual, many people are required, so please contact the office if you can lend a hand.

A few days later, on September 16th, in the community hall, the Woodcreek Lions Club is hosting its annual fall garage sale with the proceeds being donated to the community association. (Drop off is Friday, September 15th from 4 – 8 p.m.) As well, please note:

- 1) Habitat for Humanity will be accepting good used furniture (no rips) September 16 from 9 a.m. – Noon ONLY.
- 2) Cerebral Palsy Association will be accepting your gently used items such as: clothing, housewares, shoes and accessories, bed and bath items, books, DVDs, CDs, software, recyclable bottles. Donation bags will be available at the community centre, if needed.

For our community, September is also membership month. The annual Woodcreek Community Association membership runs from September 1 to August 31 the following year. To make renewing or purchasing your membership easier, we do a door-to-door canvas for the entire month of September. To accomplish this, we require 50 volunteers to proper canvas Woodlands and Woodbine. Please contact the WCA office (403-238-1611) if you would be willing to support the community by volunteering to take a route. Memberships can be renewed via the door-to-door canvassers, online, or via contacting the WCA office. I would like to thank everyone, in advance, for renewing your community membership.

Sincerely,

Scott A. Eden
WCA President
