

# Woodcreek CA President's Report for July 2018

---

Howdy All,

Summer is upon us and with that attention turns to outdoor activities, baseball, camping, gardening, hiking, relaxing, soccer, traveling and general vacationing. Summer is also the time when the WCA hosts a couple of outdoor events before taking a break until September. On June 23<sup>rd</sup> we held our annual Family Day – an afternoon of fun, games, music and hot dogs. As with past years, given that we served nearly 30-dozen hot dogs, I'd have to say the event was well attended. A big thank you to all the volunteers who made this year's event possible. A couple of weeks later, on July 7<sup>th</sup>, the WCA co-hosted, along with Gateway Victory Church, our 7<sup>th</sup> annual Pancake Breakfast. Planning and hosting an event that feeds nearly 900 people is no small undertaking, and I would like to thank all our volunteers and the Gateway Victory Church for partnering with WCA to make this event a success.

Although the WCA does not host events during the summer months, that does not mean nothing is happening in the community. Pickleball, operating out of our Woodbine location, continues to grow in popularity. The demand is such that a few courts have been re-painted to better facilitate the sport. Some leagues and lessons have been organized and anyone, from experienced to novice players, wishing to participate is encouraged to contact the WCA office. Apart from pickleball, the community center continues to host a variety of activities. Please refer to the Woodcreek Chronical for additional information.

As the good weather is upon us and people are out doing things, please be mindful of the speed zones within our community, kids and families on bikes, stray balls that may roll in front of you, joggers, pets and construction zones. If everyone would slow down a little and be respectful of others, the community becomes a little safer and everyone can enjoy their summer a little more. Happy and safe travels wherever your journey takes you.

Sincerely,

Scott A. Eden

WCA President
